Always losing your notice sheet? I can help!

We would like to start circulating the St Columba's notice sheet electronically as well as the paper copies on Sunday morning's. We currently print approx. 70 copies per week.

That's nearly 3,700 per year!

Would you like to receive your notice sheet direct into you inbox each week instead of picking one up on a Sunday?

Why?

- Reduce printing and stationary costs.
- Reduce the church's carbon footprint.
- Instant access to the notice sheet and all that is going on throughout the week.

If you would like to receive your notice sheet in this way then please email st.columbas@hotmail.com and let Michelle know.

"The Lord God took man and put him in the Garden of Eden to work and take care of it." (Genesis 2:15)
